ANNUAL STAFF

LINDA ANDERSON
Editor-in-Chief

Within the pages of this book are the hopes, dreams, and ideals of our students. We have tried to give you an insight into the real character of the school and the people who make this yearbook.

Getting this far has not been easy, and we could not have done it without the help of our principal, teachers, and students.

Now we present to you the '60 WILDKAT.

It is the pleasure of the Wildkat staff to express appreciation to those of you who have made this annual a success. This is your book. It is what you have made it.

As the Senior Class of '60 leave to journey down the Road of Life, we hope these pages will be a treasured reminder of their school days in Willis High School.
